STUDENT LIFE

A TOUCH OF CLASS

The events that transpire at Muhlenberg College function to shape and mold the lives of the students who participate. From Homecoming festivities to Parent's Weekend, students and faculty at Muhlenberg contribute many hours of hard work and planning in order to ensure success. The leadership of Muhlenberg students is essential in order to bring popular music groups and comedians to our school. Through this devotion to the growth and success of the college community, students will always possess the power to grow through Muhlenberg. All of the students that are involved in the activities at Muhlenberg College carry out their work with A TOUCH OF CLASS.

Out and About

Stadium Dedication

Left: Junior Dustin Stein leads the procession of former Muhlenberg College athletes at the beginning of the Stadium Dedication ceremony, holding a sign for the single greatest athlete from the 1930's. Top right: President Arthur Taylor delivers his speech with wife Kathryn by his side. Scotty Wood and his wife listened with pride as the President dedicated the stadium in their honor.

Muhlenberg College named its newest athletic facility in honor of the two most beloved figures in its athletic history during the first home football game of the season. The stadium was named Scotty Wood Stadium, in honor of the food service giant The Wood Company. The field was named for Frank Marino, the most outstanding football coach in Muhlenberg history. The facility features an astro-turf playing field, which is home to the Muhlenberg football, field hockey, and lacrosse teams, an eight lane all-weather

track, bleacher seating for 3,000, lighting, a scoreboard and a press box.

Milton "Scotty" Wood's ties to Muhlenberg and its athletic teams dates back to 1947, when he owned a small sandwich shop in center city Allentown. The Muhlenberg basketball team practiced at nearby Rockne Hall, and often finished too late to eat dinner on campus, so Wood would let the players enjoy home-cooked meals in his restaurant.

Because of this close relationship with the team, Wood was asked by then-college president Levering Tyson to manage the college dining service. This opportunity launched Wood to the presidency of a company that has over \$500 million in annual sales, offering its services to corporate locations including world headquarters, sports centers, hospitals, and colleges.

Frank Marino was the head coach of the Muhlenberg football team from 1970 to 1980 and compiled a record of 54-40-6. These fifty four wins are the most for any coach in the 97-year history of football at this school. In 1976, Marino was named coach of the year by the Middle Atlantic Conference (MAC).

Homecoming Parade

Floats of all shapes and sizes lined up in the parking lot behind the Haas building on Homecoming morning to prepare for the annual Homecoming Parade Competition. Three honors are given out to the overall best float, the most spirited float, and the best newcomer float. The best overall float award was earned by Delta Zeta with their float depicting the clothing style from the 20th century. The Muhlenberg Theatre Association won the best newcomer float with a representation of the different centuries of the millennium. The Women's Rugby Team won the most spirited award with their constant cheering through out the float route. These three organizations earned \$100 each.

The Homecoming Parade has traditionally started off the events of Homecoming Weekend. Local residents, alumni, and students line the parade route around campus in order to catch a glimpse of the floats. Many of the fraternities and sororities enter the competition, along with other campus organizations.

The parade is lead by President Taylor and his wife Kathryn. Last year's Homecoming King and Queen, Elmer Moore, Jr. and Alison McConomy followed the Taylor's. The 1999 Homecoming Court candidates came next, followed by the rest of the floats.

Homecoming Court

The day was unusually warm for mid-October as the members of the Homecoming Court anxiously awaited for the half-time ceremony to begin. Before the football game got off to an explosive start, last year's King and Queen, Elmer Moore, Jr. and Alison McConomy, who returned home to Muhlenberg to crown the 1999 Home-

coming King and Queen, led the Homecoming Parade. Following the past royalty were this year's contestants: Lisa Ansorge, Marci Kaufman, Melena Negrao, Angelica Pinna-Perez, Kelly Vivian, Drew Bitterman, Christopher DeWitt, Kenyamo McFarlane, Jay Mitsch, and Ruben Ortiz.

After the parade around campus, the contestants prepared for half-time festivities. The Homecoming Court then gathered on Frank Marino Field as they awaited the announcement of the 1999 Homecoming King and Queen. Elmer crowned Ruben Ortiz, a fellow Uninvited Guest member, and Alison crowned Lisa Ansorge, the Student Body President.

The Homecoming Court Election is an annual event and has become a part of Muhlenberg College Tradition, with students looking forward to it every year. Muhlenberg students vote for their favorite King and Queen candidates during the week preceding Homecoming Weekend. This event was only one of the many Homecoming festivities.

Jim Breuer

by Emily Pannebaker

He knelt on the floor and performed hand puppets, acted as a crazy drunk holding a lit fireworks, repeatedly "baah"ed like a goat, and blew a make-believe party-favor whistle until he ran out of breath. All this, along with jokes that made an audience of 1,400 double over with laughter, was staged by Jim Breuer in full-light of Memorial Hall without a pang of self-consciousness on October 14, 1999. Breuer is a master at the microphone; he had plenty of creative noises that careened out of the speakers, and performed his famous impersonations of actors Joe Pesci and Norm McDonald. He also strangled the microphone like the cat who moved in with him, due to its female owner. He also related his comedy to the 1999 Baseball League Championship Series, imitating the neanderthalish Atlanta Brave's closer John Rocker. He also mocked the conceited Cardinals' infamous home-run hitter Mark McGwire. His jokes often focused on drunkenness and marijuana without necessari-

ly condoning it. Breuer's years of stand-up experience were evidenced by a successful and realistic blend of acting, impressions, jokes, and hilarious audience interaction. Pete Correale, who opened for Breuer, played well with the audience despite several blackouts. The performance of Breuer and Correale were well worth the wait despite the technical difficulties that occurred in the show.

Top Left: Pete Corlion entrants the audience with his references to alcohol and women. Top Right Jim Breuer's expressions are a laugh in itself.

Top: Jim Breuer captivates the audience with hand tricks. Right: Jim's interaction with the audience makes his performance a hit amongst the Muhlenberg student body.

Smash Mouth

by Emily Pannebaker

Memorial Hall was filled with sweat, cheers, and plenty of "jumping around" on November 28, 1999. Smash Mouth's twist of power punk with a 60's flair, led by the lively Steve Harwell, was opened by the unique and young five-piece, Citizen King. Smash Mouth's set included many of their popular favorites from their first

album, *Fush Yu Mang*: "Padrino," "Let's Rock," and "Walkin' on the Sun." From their recently released album *Astro Lounge*, the band played the singles, "All Star" and "Then the morning comes," then announced and played their new single, "I Just Wanna See."

Smash Mouth and Citizen King are friends behind the scenes, and decided to tour the states together in November and in December simply "for fun," according to their tour promoter. Their genuine personalities were not only displayed during the show, but before the concert when they spent the day with a bunch of Muhlenberg students, playing football and getting ready for the show. The band drew a teenage crowd because of their presence on both alternative and top 40 stations.

At virtually every concert, Smash Mouth covers House of Pain's "Jump Around." The crowd was bouncing up and down to the old-school hit. The entire concert was a showcase of both fresh and seasoned talent and entertainment for students, faculty, and locals and was enjoyed by all.

Parents Weekend

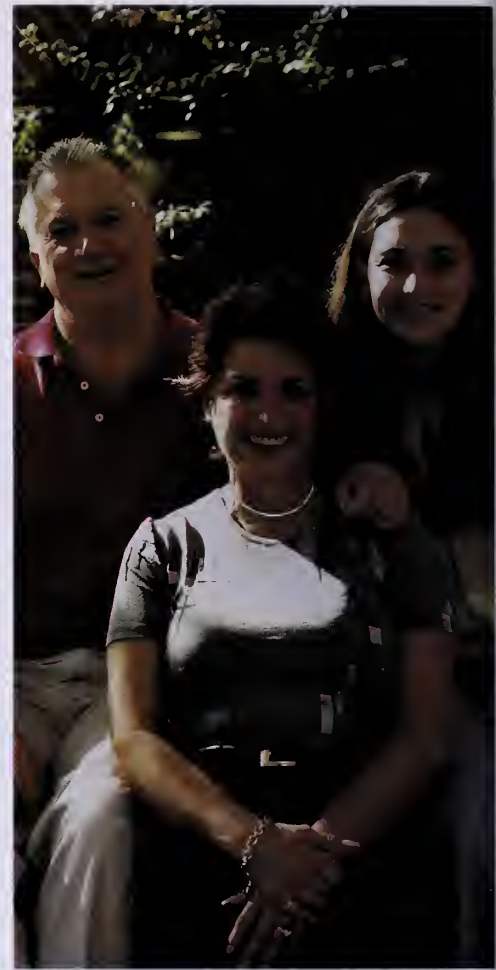

Parents Weekend is the time of year when families of Muhlenberg students come to campus to visit their children. An exciting day for all, many families and students alike look forward to this weekend of fun activities. One of the highlights of the weekend was the Muhlenberg football game. Parents and their children love attending the game. Jessica Dorfman said "The thrilling moment of my weekend was watching the Mules defeat their opponent." Also, many Muhlenberg students agree that simply spending relaxing time with their family was the highlight of their weekend.

The weekend was warm, allowing families to spend time together outside. It was a common sight to see a Muhlenberg student playing catch outside with their younger sibling or to see a family eating lunch on the front lawn. Other events were planned by the College for families during the weekend, such as a Luncheon in the Life Sports Center and the annual State of the Col-

lege address given by President Taylor. Tarzan played in the Red Door at various times. A number of lectures were given by Muhlenberg's favorite professors.

Parent's Weekend is a time for parents to see their children enjoying the benefits of attending Muhlenberg College. It is time that is to be cherished.

Mr. Muhlenberg

Over 800 members of the student body filled Memorial Hall to watch the 2nd annual Mr. Muhlenberg Contest. The competition is a fundraiser for the junior and sophomore classes and was a great success. The evening started out with a dance number from the Perkulators, and continued with a five part contest for the twelve Mr. Muhlenberg contestants. The contestants entered the stage in casual wear, which was followed by the talent portion of the show. The swimsuit competition followed, with the Muhlenberg men showing off their hot bodies. This elicited chuckles and grins from the audience. Formal wear was the second to last event on the program. Then once the results were tabulated, Johann

Hohman was named second runner up, first runner up was Jay Mitsch, and the winner of the Mr. Muhlenberg contest was Nate Pickowicz.

The Muhlenberg Theatre Association is one of the most hard-working and dedicated student groups on campus.

This year, they put on four major productions. The shows included *West Side Story*, *Our Town*, *Aunt Dan and Lemon*, and *The Country Wife*. In

addition, the MTA also produces eleven student directed Black Boxes, which are smaller scale shows. Another play, *The Henry James Project*, which was directed by Roy Steinberg, was based on the poetry of Henry James.

Muhlenberg students involved in the theatre truly show their dedication in the effort put forth in each production.

Both the beautiful sights and the extraordinary people at Muhlenberg truly make the institution a spectacular college. The dedication that Muhlenberg students exhibit toward their campus shows in everything they set out to accomplish.

dancers came on the stage, Norman Maldonado, the director of the dance troupe, explained to the audience the history of each dance. There were two groups of dancers that varied in age and ability. At the end of the performance, audience members were invited to join the dancers on stage to share in the fun.

Dr. Sutherland, the faculty advisor of the Latin Club, formally welcomed everyone to the event. In further celebration of the Latin culture, food was prepared by the Latin America Food Wood Services, and served in the Garden Room during dinner hours. The menu included spinach enchiladas, Peruvian style chicken, vegetable and beef pastellitos, and fried plantains. Both Muhlenberg students and faculty members enjoyed the traditional dishes from Latin America. During the dinner hours, Los Hermanos Fernandez continued to play for the crowd. The Latin Fest concluded with an astounding performance by the Hispanic American League of Artist dancers from Allentown. The event succeeded in giving Muhlenberg students a greater understanding of the Hispanic culture.

On Sunday, September 5, 1999 Comunidad Latina, a student run organization, held its first Latin Fest on the Front Lawn of Muhlenberg College. Kicking off with a merengue-bachata band from New York called Los Hermanos Fernandez, the stage was set for fun and excitement with a Caribbean ambience. A dance floor was installed for whomever wanted to dance. The next act was a dance troupe from New York called the Central Cultural de Ballet Quisqueya. Before the

SENIORS

A TOUCH OF CLASS

When we reflect on our college years, there will be many fond memories that we will look back upon. For the past four years, we have laughed, cried and gained memories that we will never forget. We have learned lessons of life, that help us as we head out to the Real World. From parties to cram sessions, from food runs to completing resumes, Muhlenberg has provided us with these experiences that have added a touch of class to our lives.

Juniors are at a stage where many people realize what lies ahead and also reminisce about how they have gotten to this place in time. The future becomes closer and reality becomes clearer. This is a time to cherish the college experience and appreciate the moments and memories, that will become the foundation for later life. Juniors study hard for their exams, have internships in prospective fields, and try to find their niche in life. They do that all WITH A TOUCH OF CLASS.

Everyone enters school as an open book...through time, the pages are filled with memories that will last forever. Freshman year was only the beginning to a new chapter of our lives. Friends come and go and things definitely change, but when one looks back, the past experiences will never be erased. We have shared smiles and tears, but most of all, an unforgettable year.

1999-2000

Freshmen

A TOUCH OF CLASS

On August 27, students in the newly formed class of 2003 found themselves thrown into a world of new classes, new friendships, new living arrangements, and new lifestyles. That first Orientation Weekend seemed to be endless for some, as students struggled with the momentous change that had just taken place in their lives. Within first-year seminar groups and with others on the same floor. Relationships began to form that would bind their lives to school just as they were once bound to home. In a short time, students were surprised to see that first year fly by. The freshman class quickly became an integral part of the campus culture, whether it was through sports, theater, music, or other activities. Because the lives of the freshmen were just beginning at Muhlenberg, it seemed as if anything was possible. Any feelings of insecurity that were held in the first few days were quickly replaced with self-assurance. Students stopped looking to the past and began to make their plans for the future. They did this all with a touch of class.

On the momentous first day of orientation, more than five hundred new Muhlenberg College freshmen anxiously moved into their dorms. Orientation was a time for the students to become acclimated to their new Muhlenberg home and to start forming lifelong memories.

It seemed as if every moment of that weekend was allotted for a different activity. The speakers, activities, and discussion groups that filled orientation weekend were inspirational, influential, and thought provoking. The hysteria that filled Memorial Hall during "The Uninvited Guests" performance and Maura Cullen's speech entitled "A World of Difference" which discussed

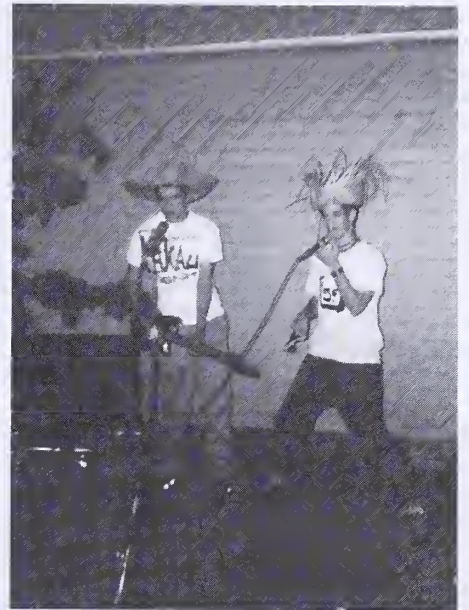

diversity in the community left a big impression. Also, memories from the "Singled Out Game Show", the Traditions event: "Connecting the Past, Present, and Future," and the culminating event of orientation weekend, the convocation ceremony, which officially marked the beginning of the year, are very vivid in the minds of the members of the freshman class.

Most of the first year students were disillusioned, tired, and fearful about the more demanding and challenging expectations of college as compared to high school, but at the same time many were excited about their new independence and awaited opportunities to form new friendships.

Above right: Uninvited Guests welcome the freshman with a special performance. Above left: Freshman gather to eat together with their family one last time on Move-In Day. Don't Be Left Behind

After only weeks on campus, members of the freshman class were delving into a variety of activities. Many freshmen demonstrated their desire to become a representative of their class either through class officer elections or as student council representatives. Other students showed their dedication through varsity or intramural sports. Another group of students began actively attending MAC meetings and made weekly visits to the Jefferson Elementary School to perform community service. Others joined religious organizations, such as the CCC, Hillel, or CCF, while some students became active on campus publications, such as the Yearbook or newspaper.

Many first year students were surprised by the amount of time and dedication that was required by campus organizations, especially those that held leadership positions. Nevertheless, few were deterred from fulfilling their potential as leaders. Some future leaders took part in the

Leadership Developmental Institute, which was offered throughout the Fall semester.

The students in the class of 2003 certainly have a great interest and say in campus organizations. Not only are the students making themselves heard with their enthusiasm and commitment to student council, they also hold leadership roles in organizations like SAGE, Amnesty International, Hillel, and many others.

Getting involved during these four years helps calm the stress of academic responsibilities and creates opportunities to have fun. Students have the opportunity to meet other members of the student body, faculty, and administration. They learn valuable lessons about interacting with others and learning to work well under some of the most trying and adverse conditions. Ultimately, getting involved is a great way to have fun and help give something back to the school.

Top left: Freshmen socialize at the Snowball. Top right: Students study together in a Prosser dorm room. Bottom left: Kevin Disch gets involved through the soccer team. Bottom right: Kristen Best makes her mark on the field hockey team.

Different schedules, different sleeping habits, different taste in music...for the first time, freshmen found themselves having to compromise with the needs of a stranger. This roommate dilemma was a typical one for any first year student. Though there are always exceptions, most learned to live peacefully with each other and to tolerate the other's differences. If there were any troubles, they could always refer to the "Roommate Agreement" that the RAs insisted that they sign and look forward to the next year when they could live with someone that they chose. Some lucky students actually became close friends with their roommates, maybe even choosing to live together again next year. Living on a floor with as many as seventy other people beyond the roommate was an adjustment, as well. Sometimes random noise in the middle of the night or the lines to get in the showers would become frustrating. At the same time, freshmen learned to bond in passing as they brushed their teeth in the bathroom or headed outside once again for a late night fire drill. They also began to appreciate the fun of Dawson's Creek parties in someone's room or the conversations in the hallway. It was difficult to adjust to this new way of living at first, but students soon adjusted. It was still a luxury to take a shower without shoes when they got home, though.

Far above: Decorating rooms was a great way that students expressed themselves. Above: It was tempting for many to spend time Web surfing. Right: Genna Albert and Brett Bastiensen bond while studying.

ACADEMICS

A TOUCH OF CLASS

As students begin and end their journey of education at Muhlenberg, they are constantly accompanied by professors and administrators. These professors and administrators not only offer guidance, but they serve as role models and strive to enrich the learning environment of Muhlenberg College. They are available to provide support to students as they make their difficult journey, but also realizing when it is time for them to let go. These role models encourage students to challenge themselves and overcome boundaries in their path. They do this all with a touch of class.

President Arthur R. Taylor
President of Muhlenberg College

His Wife, Kathryn

"Let us be known in the future, as we have in the past, by the quality of the students we graduate. Not necessarily for the number who become prominent, but by the extent to which Muhlenberg graduates are also responsible human beings with solid values. Let us be known for those who will tackle the problems of the environment, disease and hunger, poverty and homelessness...known for those who will rebuild America..known for those who support society's causes."

— Arthur Taylor, President

Since becoming President of Muhlenberg College in 1992, President Taylor has led Muhlenberg College to new heights and achievements. He has been named as one of only 50 college and university presidents recognized for outstanding leadership in the field of student character development in the "The Templeton Guide". He has enriched the environment of Muhlenberg by bringing in activities, like Discourse Day, and various new buildings. With alumni giving and enrollment at new levels, the success of Muhlenberg College must be related to the excellent leadership of Arthur Taylor and his wife Kathryn.

The Accounting, Business and Economics curriculum prepares students for graduate school or a variety of careers in public accounting, international economics, and human resources administration. The business program is especially appropriate for liberal arts students who want to understand more fully the international society in which we live.

Joseph Elliot
Associate Professor of Art

The Art Department offers a strong curriculum in art history and studio arts to approximately 40 majors, many of whom are double majors. The preparation art majors receive at Muhlenberg is impressive. The curriculum emphasizes the mastery of technical skills, aesthetics, and art history in conjunction with a strong tradition of the liberal arts. It aims to educate students in the foundation of art, and to stress the importance of critical thinking, intellectual discipline, and the understanding of the visual arts in the broader cultural historical and social contexts.

The Chemistry Department has been a major factor contributing to the College's record of excellence in the natural sciences. Students benefit from a chemistry faculty that is highly qualified, dedicated to providing quality undergraduate classroom and laboratory instruction. The faculty's concern for students and for their mastery of an increasingly complex set of principles and skills is reflected, at least in part, by the success of the department's graduates. Students' preparation for careers in medicine, research, industrial work and teaching has served to further extend and enhance that reputation.

John Sullivan
Instructor of Communication

The Department of Communication offers courses that address both the theory and practice of communication. This includes writing, radio, video, and multimedia production, and the critical analysis of media images. A wide range of courses are offered to enable students to develop both an understanding of the field and the basic research and production skills that prepare them for entry level positions in communication related professions.

Dr. Michael Carbone
Associate Professor of Education
Head of the Department

Kathy Kim
Instructor in Education

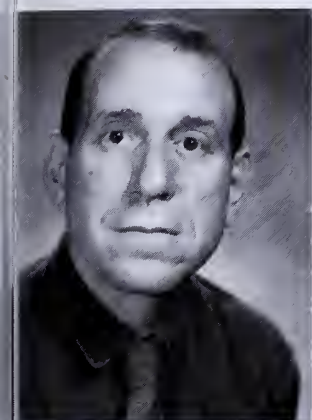

Dr. Pearl R. Rosenberg
Associate Professor of Education

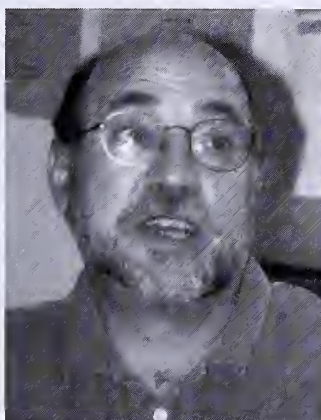

Dr. Bill Rosenthal
Assistant Professor of Education

The Education Department offers certification programs in elementary and secondary teaching. Students receiving their secondary school teaching certification usually form a concentration in biology, English, French, mathematics or Spanish. Typical majors in the elementary education program include psychology, English, mathematics, sociology and music. The requirements are demanding, however faculty advisors provide the necessary individual support or counsel. As a result, Muhlenberg has a long-established reputation for graduating teacher-certified students who are very well respected.

The English Department offers a variety of courses to a broad constituency of students: writing intensive seminars for first-year students; general literature courses designed for non-majors, and an Honors program for those of our students who plan to do graduate work in English, or have a comparable commitment to literary studies.

The Religion Department is constructed of professors from a variety of backgrounds along with an expanded teaching staff from faculty exchange. A number of religion majors go on to teach, usually after graduate work, while others enter seminary. Other options include, but are not limited to, law, journalism, business, human services, and diplomatic services. Religion majors tend to double major with psychology, history, foreign language, sociology, or political science.

Dr. William Abruzzi
Associate Professor of Anthropology
Head of the Department

The Department of Sociology and Anthropology offers majors in sociology, and social science and a minor in anthropology, with necessary course offerings and flexibility to structure programs oriented toward a variety of professional careers. Graduates have pursued interests in law, teaching, the ministry, city planning, and world affairs, among others.

Theatre & Dance

The academic programs in both theatre and dance are designed to provide majors with a solid background in history, theory and literature of performance. In theatre and dance, faculty and staff have developed a multi-faceted approach to education that combines exciting creative experience with rigorous professional standards. Students are challenged as artists in the studio and in the classroom, working closely with distinguished faculty and nationally recognized guest artists to achieve conceptual understanding and a practical working knowledge of the arts and the profession.

ATHLETICS

A TOUCH OF CLASS

Time and time again Muhlenberg athletes have overcome opponents, hardships, and difficulties. They have risen to the athletic standards set by their coaches and their peers. They have practiced in the rain and the sun, in the freezing and the heat, the morning and the night. They have all suffered adversities only to pick themselves up and work twice as hard. They have played through reoccurring injuries and aches and pains. These athletes face daily practices that are sometimes long and excruciating. They never give up and persevere over all difficulties. They do all of this with A TOUCH OF CLASS.

CROSS COUNTRY

by Cindy Bredefeld, Elissa Murphy, Lauren Weisenberger and Marianne Koiva

Building on a strong base of freshman endurance and stamina, the 1999 Cross Country team had a lot to work up to and kept their pace solid throughout the season. Senior captains, Cindy Bredefeld, Elissa Murphy and Lauren

Weisenberger have seen their sport evolve into a competitive and successful force since their freshman year. Their commitment for four years allowed the program, which in 1995 did not consist of enough runners to field a scoring team, to perform better than it ever has in the 1998 and 1999 seasons. At the Lebanon Valley International, the women's team finished tenth all around. The 1998 NCAA Regional race permitted the captains to see their teammates contribute to their most memorable and accomplished season ever.

Sophomore Katie Garrett illustrated a particularly strong season, finishing third on the team as a first season cross country runner. Lynn Garzella also had an excellent season, but due to an injury she was not able compete in the last competition.

The Men's Cross Country team placed 12th at the Lebanon Valley International and persevered through all the team's injuries to finish their season at 0-3 and 0-1 in the Centennial Conference. Great efforts were put in by senior captain Bill McElroy, Brendan Gallagher and Eric Rhoades to round out their season of growth and re-building.

"We would like to sincerely thank Coach Andrews and Coach Lobb for their wisdom, encouragement, and, most of all, for faith in the team. We also wish the Cross Country team of 2000 and beyond the best of luck in the future."

FIELD HOCKEY

by Beth Hughes, Becky Pierotti and Peach Reigle

The 1999 field hockey team consisted of veteran players as well as promising recruits and aimed at increasing the team's intensity and competitiveness. The team raised its level of play and enjoyed great success on their home turf this season. The Mules were 8-2 on the home field and dominated opponents on the turf with their finesse and fine tuned stick skills. Unfortunately, playing on the grass proved to be Muhlenberg's enemy for part of the season, but the team ended on a positive note by defeating Bryn Mawr on grass in their final game. Captains Beth Hughes, Becky Pierotti and Peach Reigle, along with Lindsay Kay

and Kim Brady, were disappointed to see their season end, but knew they had played an integral role in elevating the program in their four year careers. As the senior field hockey players leave Muhlenberg, they will carry with them many fond memories, especially of their team trip to Ireland and Scotland in August of 1999. The seniors would like to thank their families, friends, athletic trainers and other devoted fans for all of their support during the season. They would also like to extend good luck to the underclassmen players as they continue the quest for the Centennial Conference title.

FOOTBALL

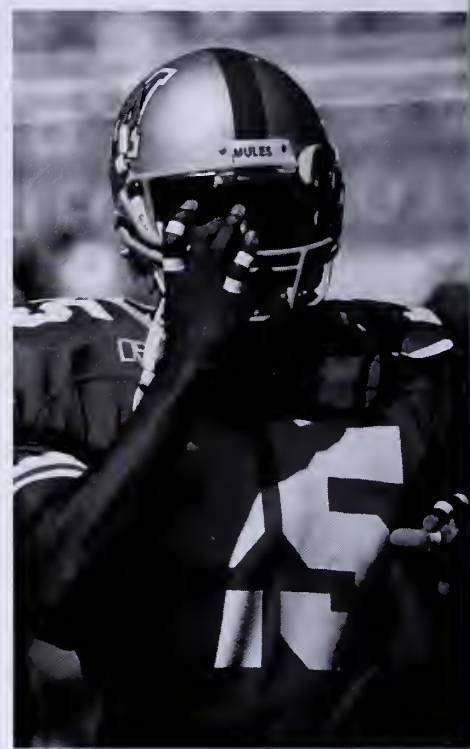

by Kenyamo McFarlane

The 1999 Muhlenberg football team was ready to take the program to the next level. The team had a mix of strong veterans and aggressive newcomers. Expectations and confidence were high throughout the team, which showed in their play on the field. The team was lead by senior captains Chuck Richard, Joe Gmitter, Kenyamo McFarlane and Ken Rayhon. The season started at Kings Point, where the Mules showed their dominance on both sides of the ball. The games against Dickinson and Franklin & Marshall further demonstrated the Mules' explosive offensive ability, stingy defense and remarkable special teams. The Mules were 3-0 and riding high, before losing a heartbreaker to conference foe Western Maryland. They continued to persevere and rebounded with back to back decisive wins against Swarthmore and Johns Hopkins. A three game losing streak against Gettysburg, Ursinus and Grove City then followed and saw

the Mules searching for answers. The final game of the season figured to be the answer, with a 52-26 pounding against cross-town rival Moravian.

The season was filled with record breakers including junior quarterback Michael McCabe who set school records by throwing for 2,560 yards in a season, 4,611 and 44 touchdowns for his career. McCabe's receivers included seniors Chuck Draper, Bryan Steele, sophomore Josh Carter and All-Conference receiver McFarlane, who set a school record of 11 touchdown receptions. The running game featured freshman running back Anthony Wolfsohn who followed the blocking of All-Conference offensive linemen Chuck Richard, John Schoeller and Keith Mann.

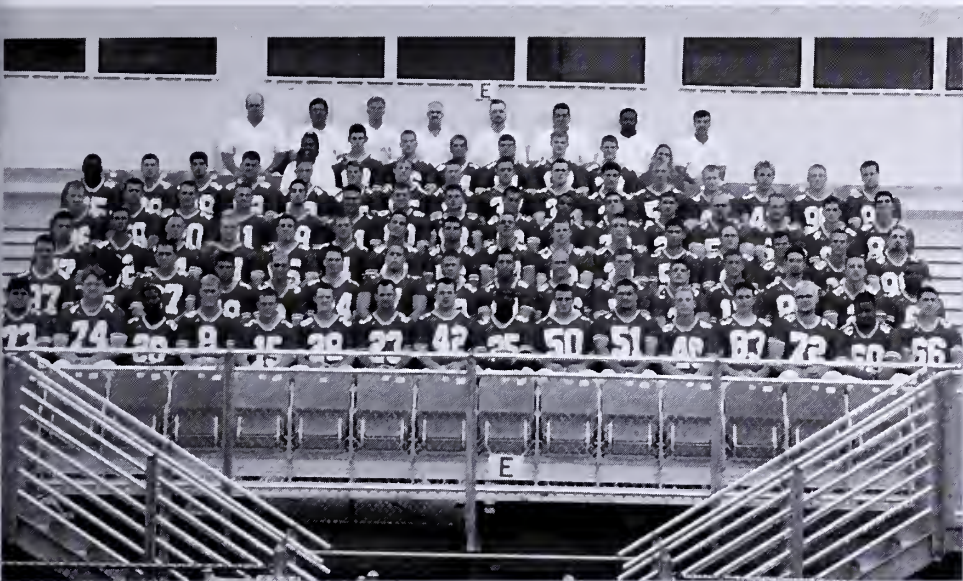

On the defensive side, the Mules were lead by All-Conference juniors Mike Burke, David Jones and captains Gmitter and Rayhon. They led a defense that relied on big plays and big hits. Sophomore All-Conference defensive lineman Ian Ximinies also contributed to the defensive front that included freshman standout Mike Ferreira, sophomore Tyler Cather and junior Paul Robinson. Throughout the entire 1999 football season, the Mules found out that they have what it takes to be a top program and showed they are ready to take the next step.

Centennial Conference 7-1-1		

by Marianne Koiva

Re-building upon the 1998 season, the 1999 men's soccer team had a strong year and will continue to grow despite losing seven seniors this year. The Mules, who were ranked seventh out of ten in the Mid-Atlantic region, integrated their new talent with the veterans of the team and put together a squad that made it into the Centennial Conference Championship game against Johns Hopkins. Despite their loss, the Mules gave their best effort, while missing senior Shane Topping from the game, and gained experience for the members of the team who will be returning next fall. In addition, the team won the Tiger Invitation Tournament in New York by defeating Allegheny College in the latter part of the game. Freshman Tom Hartley was named Most Valuable Player of that tournament and trails behind the seniors of the squad who also have their own titles and honors to share with the team. The team also squashed Haverford by one goal in overtime to help increase their winning record. The men's soccer team gained a lot of experience over the season and will continue to do so in the following season.

WOMEN'S SOCCER

by Marianne Koiva

The 1999 women's soccer team came into the season with high hopes of exceeding the 1998 team and repeating their title as ECAC champions. On this road to success the Lady Mules had a very exciting and exhilarating year of soccer. Seniors Allison Fish, Karen Konopelski and Hilary Moses all contributed greatly to their team and helped push themselves and the team to reach their goals. Junior Jennifer Sands had a wonderful year and tied Celina Boer in having the most game points ever in

Muhlenberg women's soccer. The women defeated Wilkes Barre, their tenth shutout of the season, to qualify for the ECAC championship game. This post season game proved to be especially thrilling for the Mules when they played Johns Hopkins for the Division III ECAC Championship title. This exuberating display of women's soccer resulted in four overtime periods of fifteen minutes and was a true test of the Mules' stamina and will. The game lasted for 150 minutes and penalty shots were to decide which team took the title home. Senior Hilary Moses placed the ball in the net on the sudden death penalty shot and won the game for the Lady Mules. Freshman Kimberly Laurino also received the tournament's Most Valuable Player award for her diligent work at the goal. Winning this championship was a great testament to the team's persistence and determination to achieve what they set out to do. Moses commented, "the last time my foot ever touched the ball for Muhlenberg College, I put it in the back of the net for the championship. There's no other way to go out." The women's soccer team had a phenomenal year and continue their tradition of hard work and team spirit.

VOLLEYBALL

by Marianne Koiva

Muhlenberg's women's volleyball team had a very productive year and got to get together on and off the court. Their "secret sister" gift exchange helped the process and was a lot of fun. On the court, the Mules had a very busy game schedule and ended the season with 20-18 and 4-6 in the Centennial Conference. Perhaps one of the most memorable moments of the season was the Buttermaker Tournament in which the volleyball team successfully defended its championship title for their second consecutive title. The team also scored

72 points in their game against Swarthmore and missed the NCAA Division III record of 77 by only five points. Senior captain Nicki Sayre also came in seventh in the Centennial Conference standings with .54 aces per game. In addition, senior Allison Verduin passed her 1,000 mark with kills, being only the second female volleyball player to do so in Muhlenberg history. Seniors Milena Negrao, Allison Verduin and Nicki Sayre had a memorable and fun year with their team and will be missed by the rest of the squad.

MEN'S BASKETBALL

In seven years as a member of the Centennial Conference, Muhlenberg has won or shared the East Division title seven times, winning the Conference championship in 1995 and 1998. The Mules were successful despite a series of injuries to veteran players that kept the lineup in a constant state of flux. Eleven different players started at least one game, and the team used 14 starting lineups in 25 games. The Mules went 12-5 after a 4-4 start to reach 15 wins for the fourth consecutive year. Of the team's last six losses,

four were by four points or fewer and the other two came in overtime on the road.

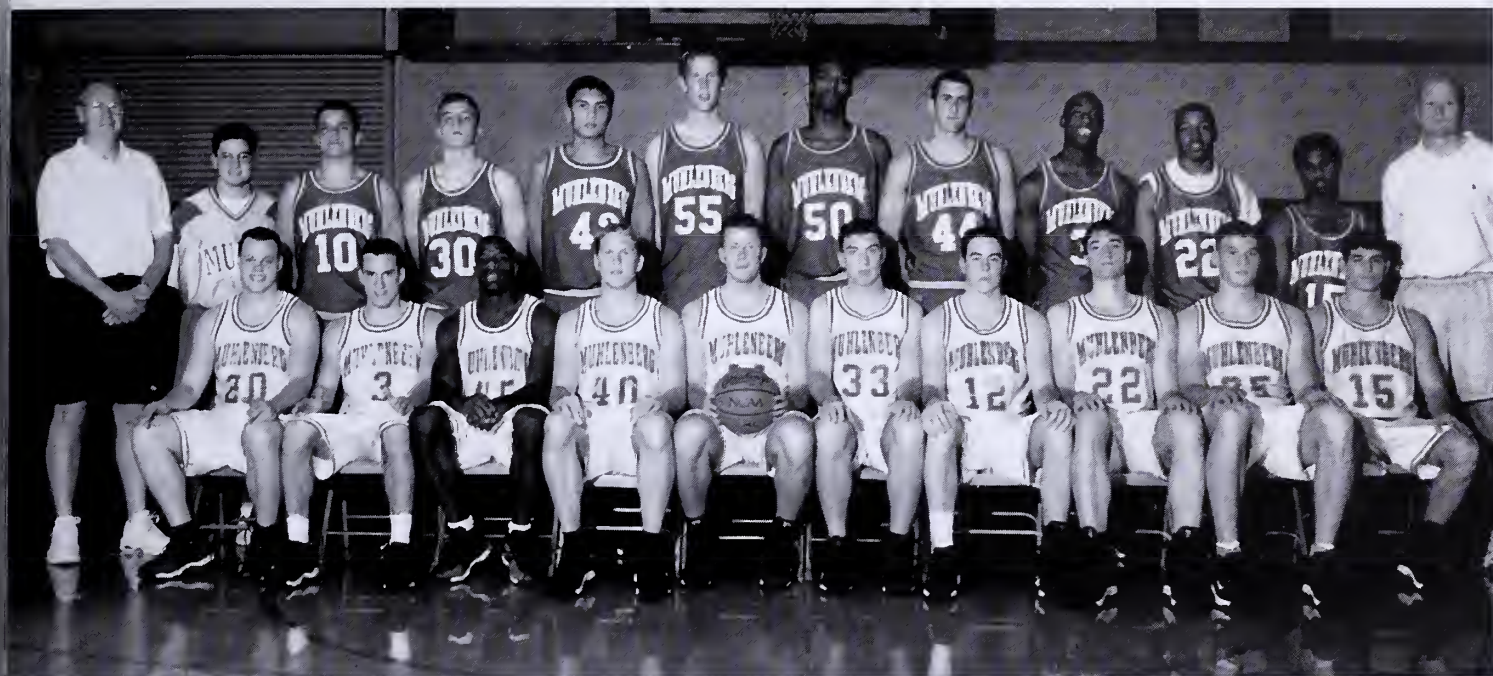

The Mules set a set a shot-clock era record by holding 10 straight opponents under 70 points. Their defensive field-goal percentage of .384 is the lowest on record and ranked 10th in Division III. The team also set a school record by blocking 114 shots.

With Senior Matt Schneider sidelined because of a knee injury, senior Eric Nothestein and Scott Nielson saw more playing time. With freshman Anthony Strachan as a starter, several other freshman also saw playing time. Toomey Anderson, Aaron Holden, and John Strom stepped up with the absence of the starting center.

Sophomore Mark Leski led the team in scoring (13.9), rebounding (9.1) and blocked shots (53). His rebounding total also led the Centennial Conference and made the first-team of the All-Centennial Conference. Ryan Graver and Eric Nothestein both made Centennial Conference Academic Honor Roll. Graduating six seniors, the Mules will have a new lineup for the 2000-2001 season.

WOMEN'S BASKETBALL

The best days of Muhlenberg Women's Basketball are clearly in the recent past and near future. The Mules have qualified for postseason play in each of the last eight seasons. This season was no different. The season began with the Scotty Wood Tournament, which they won for the second time in three years, defeating archrival Moravian. As usual, the Lady Mules defense was stellar. They held their opponents to an average of 54.5 points per game and set a school record with a defensive field-goal percentage of .338. The team set a school record by winning 11 consecutive home games. On the road, the Mules played eight consecutive games that were decided by five or fewer

points and went 5-3 in those games. With injury to Jessica Drennan and Caressa Lynch, Sophomore Captain Jennifer Risley led the team in scoring (11.2ppg) and led the Centennial Conference in field-goal percentage (.528). Lindsay St. Lawrence made 39 three-pointers, the second highest in team history.

Muhlenberg won its fifth consecutive Centennial Conference East Division championship and reached the CC title game. Despite a loss in this game, the team has a very bright future. With no graduating seniors, the team returns all of its starters. With hard work and a little luck, the team may have a NCAA appearance it is future.

WRESTLING

Wrestling has enjoyed a successful history at Muhlenberg College, especially of late. In seven years, Muhlenberg has crowned 19 individual champions in the Centennial Conference, more than any other school. This year, Muhlenberg faced serious problems with injured wrestlers. Despite fielding only eight healthy wrestlers for most of the season, the Mules won eight dual matches, the most in five years. Muhlenberg qualified two wrestlers for the NCAA Division III Championships, sophomores Tyler Cathey (Heavyweight)

and Andy Faust (149). Sophomore Bill Holsinger set a school record with 14 pins and came within one pin of the school record for wins in a season. He finished third at all four tournaments in which he wrestled. Tyler Cathey also had a record breaking season. He tied the school record for the most dual meet-wins with his 20-1 record and set the mark with nine-dual meet pins. For the 2001 season, the team loses no seniors. Instead, the team hopes for an injury-free season.

TRACK AND FIELD

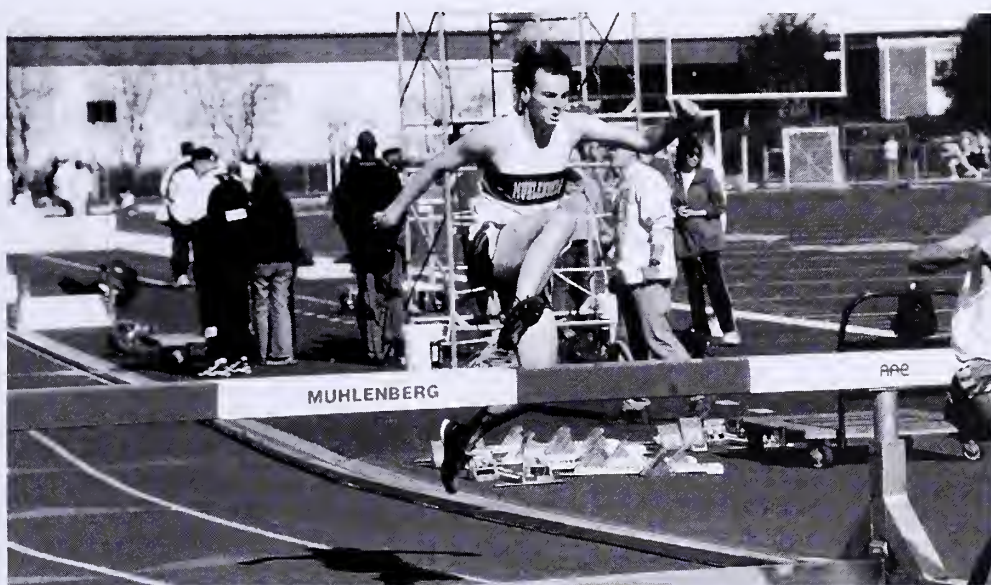

The Muhlenberg College track and field program ushered in a new era in 1999, practicing and competing in the new Scotty Wood Stadium. Along with hard work and a new head coach, Brad Hackett, the Muhlenberg track team began to make change. During the 2000 season, the Mule women and men combined to break 17 school records during the indoor and outdoor seasons. At the Centennial Conference Outdoor Championship, the hard work paid off. The men scored 70 points, their most ever, at this competition.

Junior Katrina Beck tied the school indoor record in the high jump and set the meet record outdoors, along with qualifying for the NCAA Division III

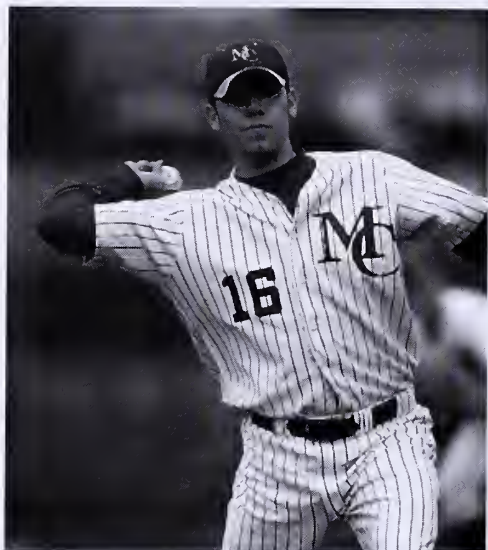

Championships. Senior Kurt Kunsch became the first men's pole vaulter in CC history to win both indoors and outdoors in the same year. Sophomore Will Elson won the 800 meters at the Championship meet with a school record time, breaking the Haverford 7-year winning streak in this event. Sophomore Jim Hayes led the Mules in the top six of the javelin at the Centennial Conference outdoor meet with a throw of 175-2, becoming the Muhlenberg's first conference champion in the javelin since 1950.

With a large freshman class on the team and a strong recruiting program, Coach Hackett hopes to continue the success with a stronger 2001 season.

BASEBALL

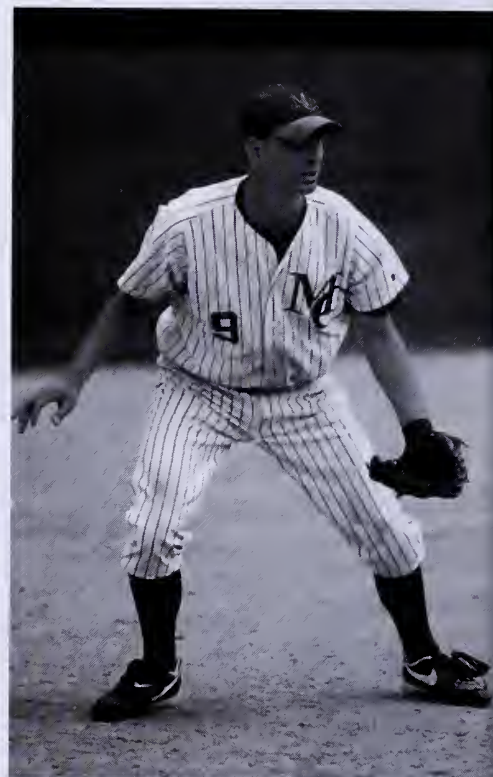

Baseball at Muhlenberg enjoys a long and rich history, dating back to 1914. This past season was no different. Twice the Mules tied the school record of six doubles in a game. Also, for the first time ever, Muhlenberg had two players named to the All-Centennial Conference first team.

In the 2000 season, 'Berg finished in the top half for the second year. The Mules (14-23 overall), placed fifth in the Centennial Conference with a 9-9 league record. The team batted .333 over the final 16 games of the season

and averaged more than eight runs per game over that stretch. Senior outfielder Chuck Draper became the Mules' first player to earn first-team honors in back-to-back seasons. He hit .353 in 2000 and finished his career as the school's all-time leader in hits (176), runs scored (119), doubles (29), extra-base hits (54), total bases (269) and RBI (110).

Senior third baseman Chris Moraitis became the 18th member of Muhlenberg's 100-hit club and Junior Tim Hberbusch tied a school record with seven complete games. Junior first baseman David Wolf ended the season on a tear, hitting .619 with 11 extra-base hits in his final 11 games. Sophomore centerfielder Joshua Carter broke his own school record with 27 stolen bases and became the all-time leader in steals in just his second season. He won four games as a pitcher, tossing a one-hit gem against Johns Hopkins, the top hitting team in the Centennial Conference, in his final start.

Although Draper and Moraitis will be sorely missed, Carter, Wolf and Hberbusch add to the team's promising future.

SOFTBALL

From humble beginnings in 1979, the Muhlenberg softball program has established a tradition of athletic and academic excellence. The Mules have reached double digits wins for 16 straight years—the longest in school history for a women's team.

This season, Muhlenberg rebounded from a 4-12 start to win its first Centennial Conference championship with a 14-2 league mark.

Muhlenberg took control of a four-team race for the Centennial Conference title by sweeping a doubleheader at Ursinus, at the time ranked 16th in Division III. The Mules then clinched the title by sweeping Washington. Another significant victory was a 3-2 defeat of Bridgewater State, which finished the season ranked 11th in Division III and was the top seed in the New England Regional.

The Mules hit .334 as a team the final half of the season, had a 1.07 ERA in Centennial Conference games and finished with a .951 fielding percentage, their best since 1993.

Senior Heather Dreby was named Centennial Conference Pitcher of the year, breaking a five-year Ursinus run in that category. Dreby was 7-1 with a 1.04 ERA in Centennial Conference games

and finished her college career as the program's all-time leader in games pitched, completed games and innings pitched. She and Angie Tyson combined the Mules' first doubleheader shutout since 1991 and a school-record scoreless streak of 27.2 innings. Senior second base Christine Biechy hit .373 with a school record-tying five triples to earn third-team All-Region honors. She also became the 12th member of the 100 hit club. Sophomore Angie Tyson, who hit .320 and reeled off a seven-game winning streak on the mound, was named to the GTE District II College Division Academic All-District Team. Sophomore shortstop Lori Blanchfield tied an NCAA Tournament record with three stolen bases against Savannah. This record also matched a school record, previously tied by freshman Kelly Berg. Despite graduating four seniors, the team looks to make a repeat appearance in the NCAA Division III tournament.

The Mules then earned an automatic bid to the NCAA Division III Tournament (their fifth overall and first since 1992). Unfortunately, they were eliminated after losing two games in the final at-bat.

MEN'S GOLF

The Muhlenberg Golf Team has been around since 1951, but it is in this decade that the program has been at its finest. The Muhlenberg College Golf Program has taken off in recent years, winning its first two conference championships in the last four seasons and earning a bid to the NCAA Division III Championships in 1999.

With both a fall and spring season, the team competed in a total of 13 tournaments during the school year. The Mules won the Gettysburg Fall Invita-

tional and the Spring Susquehanna Tee-Off Tournament. At Gettysburg, all five Muhlenberg Golfers shot in the 70s. At Susquehanna, the Mules had a team score of 299, their first and only time under 300. The team ended up in 5th place in the Centennial Conference Championship, but only eight strokes out of the first. Muhlenberg finished the season ranked 10th in the District.

As for individual honors, Senior and Captain Matt Skilton was a medalist at consecutive tournaments when he competed at Susquehanna and Elizabethtown. At Susquehanna, he and freshman Andy Wright tied for first with 74. Steven Moore was the sole Muhlenberg golfer to be on the Centennial Conference Academic Honor Roll.

The golf program has been fortunate to attract a large number of single-figure handicap golfers, and competition for a spot in the starting five is strong. With an excellent past decade of excellent golf, the Muhlenberg Golf Team looks towards the next decade and millennium with high expectations.

WOMEN'S GOLF

The Muhlenberg College Women's Golf Team was born in the summer of 1999 and began competition in the fall of 1999. Women's golf is the 21st varsity sport at Muhlenberg and the first to be added since 1991.

The fledging women's team will look to follow in the footsteps of the Mule men's program, which has won two Centennial Conference championships in the last four years and earned its first NCAA Division III Tournament berth in 1999.

In their first year of competition, the Mules competed in a total of eight tournaments in both the spring and the fall. Their best finish was third at the Dickinson Invitational. Sophomore Courtney Sessa posted the team's best score, a 90 at the Western Maryland Fall Invitational.

Muhlenberg's home course is the Lehigh Valley Country Club, which, with its outstanding practice facilities and beautiful 18-hole course, is one of the premier clubs in the Mid-Atlantic area.

MEN'S TENNIS

Men's tennis is one of Muhlenberg's oldest varsity sports, dating back to 1919 and competing in all but two years since. The 2000 team brought back powerful memories of the powerful teams of the past, reaching double digits in wins for the third time in school history and the first time since 1941 and challenging for the Centennial Conference championship. This past season was thought to be a 'breakthrough' season with the most wins (6) and highest finish (second place) ever in the Centennial Conference.

The Mules' 7-0 start was the third-best in team history and the best for any Muhlenberg team since men's soccer opened 9-0 in 1994. In their most important win of the season, the Mules came back after losing the doubles point to defeat Franklin & Marshall for the first time since 1982.

The freshman duo of Brad Scheller and Cameron Parke became Muhlenberg's first-ever Centennial Conference finalists. The pair also reached the quarter finals of the ITA East Championships in the fall.

Junior Robby Richman (10-4), Scheller (10-3) and Parke (10-2) became the first Mules to win 10 matches in spring dual-meet competition since 1990. Richman earned the Number 2 seed in the Centennial Conference Tournament, recording his 50th career win during the season and ran his career singles record to 37-14-1. Because the team is graduating only one senior, Siddhartha Velandy, the team looks to continue the old traditions started in the 2000 season.

The 2000 Men's Tennis Team: David Banah, Matt Fleissig, Mike McCormick, Eric Milford, Cameron Parke, Robby Richman, Brad Scheller, Kevin Shah, Siddhartha Velandy, Head Coach Bill Adams, Asst. Coach Les Barreau.

WOMEN'S TENNIS

As the oldest women's sport at Muhlenberg, tennis has been one of the school's most successful programs. This season was sprinkled with surprises. Muhlenberg started the season off by earning its first defeat against Western Maryland, which went on to finish third place in the Centennial Conference.

Muhlenberg was off to a 2-2 start before its top singles and doubles player suffered an ankle injury prior to the Haverford match. Kerri Waldowski was unable to play until later in the season. The Mules managed only two wins the rest

of the season.

The doubles team of juniors Kerri Waldowski and Marissa Kutzer tied a school record with their 13th win together. The duo reached the quarterfinals of the Centennial Conference Tournament before losing to the eventual champions in three sets.

In individual honors, Senior Kristin Cahayla, Sophomore Kristin DiLorenzo, Junior Randi Schnur and Kerri Waldowski earned a place on the Centennial Conference Academic Honor Roll.

WOMEN'S LACROSSE

Women's Lacrosse at Muhlenberg evolved from a popular and successful club team organized in 1980, earning varsity status in 1984.

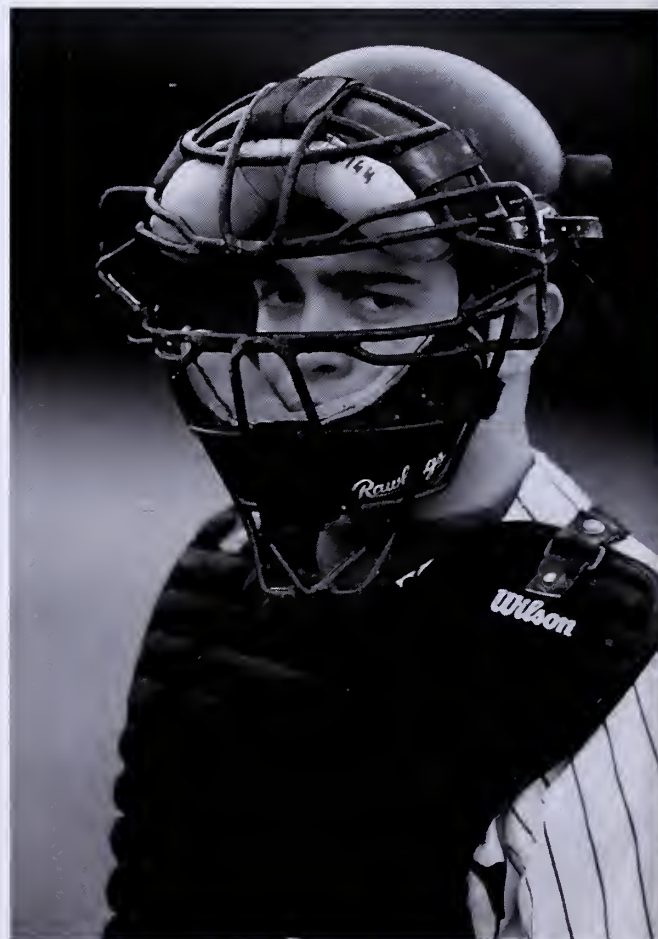

Despite having a season-long depth problem, which was exacerbated when the starting goalie went down with a hand injury, Muhlenberg played hard and was a strong second half team. The 2000 season started out with a bang, defeating Kean 23-9. The 23 goals were the most scored by the Mules since 1987, and the 14-goal margin of victory was the greatest since 1993. The Mules outshot their opponents for the season, 418-412.

Junior Miruna Lovin set school records for goals (9) and points (11) in a game

in the opener mentioned above and finished the season third on the all-time scoring list with 141 career points. She tied the school record for points in a season (60) and set the mark for consecutive games scoring a goal (25).

Freshman Lynsey Caldwell set a scoring record for first year players with 50 points. She also tied the school record with four assists in one game versus Susquehanna. Lovin, Caldwell, and junior Kerry Lambert were the first Mule trio of 30-goal scores ever. Sophomore Teresa Lunardi tied a school record with seven caused turnovers against Susquehanna.

Greek Life

A TOUCH OF CLASS

Greek life at Muhlenberg College holds special significance to many students over their three years. Through their community service, Greek organizations try to give back to the community. By hosting registered parties, Greek life provides options for students to let loose on the weekends. Through pledging, many friendships are formed that will last a life-time. Toga parties, beach bash and deck parties are all events that we treasure and will remember for a long time.

The girls of Alpha Chi Omega are spirited, well rounded individuals who are always ready to lend a hand. We participate in various community service activities such as The AIDS Walk and have several altruisms such as the Victims of Domestic Violence of which we dedicate our time and service. Alpha Chi Omega was able to put together six teams for the Sean Cunningham Volley Ball Tournament, raising \$190.00 for the cause. Alpha Chi has won Greek Week for a total of fourteen years and owe it all to hard work, dedication and love for the sisterhood.

Alpha Tau Omega

GREEK WEEK CHAMPS 2000

Alpha Tau Omega is the oldest fraternity on campus here at Muhlenberg. Upon winning the community service award last year ATO, continues to reach out to the community. An excellent job has been done this year by their officers led by President Don Bostonian, along with community service chair Michael Mattaliano, Vice President Michael Wu, and Treasurer Mark Shnorhokian, who will all be graduating. The future for the fraternity looks promising with new goals, raised standards, and enthusiastic leaders. Good luck Alpha Tau Omega!

The Sigma Phi Epsilon Fraternity was founded at the University of Richmond on November 1, 1901 and is currently in its ninety-ninth year. The Pennsylvania Iota Chapter was established on the Muhlenberg campus on April 10, 1938. Over the last year, Sig Ep brothers have participated in numerous community service events such as the KidsPeace Bike Rodeo, Greeks Make a Difference Day, and by servicing meals to the less fortunate at the Day Break Shelter. On campus, Sig Ep brothers are active participants in many of Muhlenberg's clubs, activities, and other campus wide events.

Tau Kappa Epsilon

This year, Tau Kappa Epsilon saw the prosperous year 1999 come to an end and a promising year 2000 begin. Over the past four year, 14 graduating seniors have struggled and succeeded in their attempts to make Tau Kappa Epsilon not only an outlet of social freedom, but academic excellence as well. TKE is a place where the brotherhood is extremely important, a place that always welcomes the return of our alumni, and a place that will never be forgotten.

The strength of our brotherhood and love for the house has been rewarded with numerous improvements to our facility on 2309 Turner Street. Some of our new additions are a new computer lab with a full network connection to the Muhlmet, a new dance floor, new carpeting for the residential hallway, and new doors for the residential rooms.

Outside of our brotherhood, TKE also values the opportunity to give back to the community that has embraced our chapter. Some of our past and current community service activities include participating in Jefferson Field Day, a 12th Street Barber Shop Hair Cut-a-thon which raised money to donate to Bikes for Kids, the Pinebrook Christmas Party, a Big Brother - Little Brother program, Greeks Make a Difference Day, The Sean Cunningham Volleyball Tournament, America Reads, and a local area graveyard clean-up.

ACTIVITIES

A TOUCH OF CLASS

Various student-run organizations enrich the daily life of Muhlenberg students. They struggle with the administration to change current policies and to develop new and exciting events on campus. With no apparent reward for themselves, these students commit a large amount of time and effort to their respective organizations. On top of school work, they excel outside of the classroom. They do this all with a touch of class.

STUDENT COUNCIL

During the 1999-2000 school year Student Council organized many very successful events, ranging from Mr. Muhlenberg to the Henry Awards to the Faculty/Student Softball Game. In addition, we initiated many campus, club, and organizations improvement projects, including: scanners for the washers and dryers, extending the hours of operation of Seegers Union, and absentee ballots for campus elections. Our organization consisted of 29 elected members and recently has branched out to include many honorary members. Some of the projects that Student Council is currently working on include Hall Olympics and a patent book for fundraising ideas. Each year Student Council becomes more instrumental in encouraging participation in campus activities, initiating new and exciting events, and simply demonstrating our extreme desire to be proactive.

MUHLENBERG ACTIVITIES COUNCIL

The Muhlenberg Activities Council, or MAC, is a student-run organization that plans many of the campus' social events. Join MAC and you can be involved in booking big comedians like Jay Mohr, Bobcat and Harland Williams. We also organize special events on campus like psychic fairs and game shows. We are the ones who bring the hottest movies like "The Phantom Menace" and "American Beauty" to campus. In addition, join MAC and you can choose what bands and musicians you would like to have play on your campus!! When you are involved with MAC, the power is in your hands!

CLASS COUNCIL 2000

The Class of 2000 has always done things its own way. Working side by side in a unified force, Student Council and the Class of 2000 have worked throughout four years and raised more funds than any other class in Muhlenberg history, which has paid off in making the Senior Ball more financially accessible to all seniors. Comprised of Seniors from all corners of Muhlenberg life, our Class Council has truly represents the entire senior class, while showing a new path to future class councils, and having a great time. And through it all, we have always acted by our ideal, CARPE DIEM.

CLASS COUNCIL 2001

The Class Council of 2001 is a solid group of individuals dedicated to raising funds for senior activities. The Juniors are accomplishing this goal by selling T-shirts, hot glasses, candy-grams, gift baskets, and many other items. All of the money they raise goes towards Senior Activities and Senior Ball. They also organize fun events during the year to entertain the student body. Some terrific events that the Class Council produces are the Mr. Muhlenberg Pageant and Singled Out. The group meets weekly and every student in the Class of 2001 is invited to attend.

Class Council 2001 Members: Maren Conway, Alexis Krum, Saara Marte.
Not Pictured: Sarah Groner, Steven Dimirsky, Amanda Grace, Juliet Kholi.

CLASS COUNCIL 2002

The Class Council of 2002 strives to encourage activism among class members through generating enthusiasms and various involvements. Their contributions include: Mr. Muhlenberg, Student/Faculty Ski Trip, informative 2002 publication, and through community service. "Strength in Numbers" is the motto that shines from the Class of 2002 t-shirt, which each member received free at the Freshman 2002 ice cream social. The spirit and creative fundraising of the Class of 2002 has contributed in the most positive way to the learning environment of Muhlenberg College.

Cara Restaino, Julie Goldberg, Devon Segel, Candace Raio

CLASS COUNCIL 2003

The Class of 2003 struggles, as every class does, to find its niche within Muhlenberg. They brought fresh ideas for class fundraising and to Student Council. As they make adaptations to college life, they learn the best way to reach their fellow classmates and strive towards achieving excellence.

YEARBOOK: THE CIARLA

The Ciarla, which is Latin for chatter, is Muhlenberg's student-run yearbook. The students on the yearbook staff attend to all matters relating to the production of the 2000 yearbook. Under the guidance of Co-Editors, Melissa Targum and Andrea Nylund, the staff writes copy, gathers photographs, uses software to design page layouts. The staff, along with Business Manager, Barry Levine, must also deal with administrative issues, such as accounting and selling advertisements. Next year's Editor-in-Chief will be Brett Coppol. We wish him the best of luck in completing the 2001 yearbook.

THE MUHLENBERG WEEKLY

The Muhlenberg Weekly is the student-run, college newspaper publication. The goal of the paper is to fairly and accurately report on events at Muhlenberg. Involved students write copy, take photographs, design the pages and edit the newspaper. Interested students are encouraged to get involved as training is offered and no experience is necessary. All are welcome to be a part of this organization — Muhlenberg's choice!!

First Row: Allison C. Curd, Jenna Bates, Jillian Lovejoy, Jennifer Epting, Erin Provost. Second Row: Adam Newman, Michael Ebert, George Saitta Jr., Carlos Munoz, David M. Sobotkin, Jeff Baird.

WMUH

WMUH, the student-run radio station, airs on both AM and FM bands. WMUH has an audience of approximately 20,000 on Saturday morning broadcasts and the 440 watt station is capable of reaching 1.5 million people. It offers FCC licensing and training to all interested students.

HILLEL

The 1999-2000 year brought about many great changes in Hillel. We moved from our small house on Liberty Street to a beautiful big house on Chew Street. Although packed bagel brunches and Shabbat dinners are still very common, we have room for student offices and larger areas for programming. Our new events include Saturday Morning Services with our newly donated Torah. Because we have one of the largest memberships on campus, we are continuing to make an impact with our extensive array of activities. It is hard to go a day on campus without seeing a Hillel poster, flyer, button, cup, or T-shirt.

CAMPUS CHRISTIAN FELLOWSHIP

Campus Christian Fellowship is a student run organization that provides activities that help make Jesus Christ a part of student's lives. All students are welcome to come to any of our activities that help students learn more about the Bible and Jesus Christ. The activities we have include weekly family group Bible studies, Friday Night Fellowship, retreats, conferences, camps, and social and community service events. Through all of our activities, we hope to fulfill our vision of growing up, reaching out and uniting in Christ.

CHAPEL CHRISTIAN COMMUNITY

Chapel Christian Community is an Ecumenical group which accepts all denominations. Every Fall the CCC participates in a beach retreat in Wildwood, New Jersey. Besides worship and Bible study, the CCC plans a wide variety of social events such as picnics, dinners, movie nights, volleyball, and bowling.

MUHLENBERG THEATRE ASSOCIATION

The Muhlenberg Theatre Association, or MTA, handles theatre production for the entire campus. With two mainstage productions and numerous black boxes every semester, there are numerous ways to get involved with the MTA. Members work in conjunction with the Theatre Arts Department. The organization is composed of aspiring actors, directors, stage managers, and all others who are simply interested in theatre.

MUHLENBERG DYNAMICS

Dynamics is Muhlenberg's student run, co-ed a cappella group. Among its repertoire of pop and rock music Dynamics performs songs such as "Come on Eileen", "Be With You", "Zombie Jamboree", and "It's Alright". Dynamics has produced three CDs in the past four years, and has performed at the 21 Club in New York City, Rockefeller Center, and the Short Hills Mall as well as performances at many other regional and local events. Each spring, Dynamics sponsors a cappella festival that groups from all over the East Coast attend. During the 1999-2000 school year, Dynamics was led by Ashley Kistler (Coordinator), Justis Bolding (Business Manager), and Jenna Leedom and Josh Schwartz (Musical Directors).

COMMUNICATION CLUB

The goal of the Communications Club is to foster interest in media-related topics and concerns by providing students with activities and events outside of the classroom that cover a wide variety of communication fields. This was an extraordinary year for the Communication Club, which has easily become the fastest growing club on campus. It began in October with a trip to New York City and an appearance with N'Sync on MTV's Total Request Live. In November, the club sponsored a guest speaker, Amon Rappaport, who discussed his experiences working in Public Relations firm in Washington, D.C. on a national anti-tobacco campaign. The fall semester concluded with a trip to the movies to see "American Beauty." The next event was an Academy Awards party that the club hosted to complete with decorations, formal attire, and prizes. The club then returned to New York City to take a tour of NBC Studios and witness a taping of the Montel Williams Show.

WOMEN'S RUGBY TEAM

With two practices a week and matches on the Saturday, the Women's Rugby team is composed of dedicated athletes that LOVE to have FUN!!! The team is composed of both experienced and inexperienced players and the team hosts matches as well as traveling to away matches at local colleges. There are usually between four and five matches and socials per season. In the fall season, the team made it all of the way to the championships at Princeton, only to fall to The College of New Jersey. Graduating four seniors, Elizabeth Ryan, Shannon "Creepy" Crawley, Jen Mendelsohn, and Sarah Sibbach, the remaining members wish the happiness and success and hope that they come back to visit (and even play!!) often!!

COLLEGE DEMOCRATS

The purpose of the College Democrats is to inform and enlighten the political consciousness of the student body of Muhlenberg College. The organization achieves its goal of increased political awareness on campus by promoting open and lively discussion on contemporary political issues and providing a forum for students interested in the Democratic Party.

Membership is open to all Muhlenberg students with monthly meetings. Throughout the year, the College Democrats invite speakers to Muhlenberg's campus to present on topics of current political interest.

The Members of the College Democrats: Russ Choma, Joshua Brookstein, Sean Daubert, Mary Ellen Manza, and Maggie Manza.

COLLEGE REPUBLICANS

Founded by a circle of friends during the 1992 Presidential election campaign, the Muhlenberg chapter of the College Republicans was organized to promote the fundamental ideals consistent with the preservation of a free society: capitalism, representative democracy, a limited government, and protection of mankind's natural rights to life, liberty, and property.

We have fun every semester, including trips to Washington, Harrisburg, or New York City, voter registration drives, guest speakers, campus activism, and many other activities. The club also assists with national and local campaigns, and can secure for its members internships with local politicians.

HABITAT FOR HUMANITY

Habitat for Humanity at Muhlenberg College is a student-run, student-led organization. Students volunteer to build or rehabilitate houses in partnership with Habitat affiliates and homeowners, educate the campus and local community about affordable housing issues, and raise funds for the work of Habitat. The members put their concern for homelessness into action and build partnership with people sharing a common goal by volunteering at the work sites in the Lehigh Valley area throughout the year and volunteering during the spring break. HFH members work to spread a greater awareness of the need for decent and affordable housing and to encourage deeper commitment to social action.

CONCERT BOARD

Front Row: Elizabeth Ryan, Deb Edmund, Lucas Zimmerman, David Lerner.
Back Row: Frank Caria, Denise McGuigan, Daniel Marcus.

The Muhlenberg Concert Board was founded in the fall of 1995. The goal of the Muhlenberg Concert Board is to provide high quality concert productions for the benefit of the students at Muhlenberg, as well as the surrounding community. In the past few years, the Concert Board has put on such shows as The Wallflowers, Blues Traveler, and most recently Smash Mouth. The Concert Board hopes to continue the tradition of great concerts in the future.

The Co-Presidents are David Lerner and Lucas Zimmerman. The Treasurer is Denise McGuigan, with Liz Ryan and Deb Edmund acting as Executive Assistants. Jen Reck, Lauren Brief, Adam Marks, Frank Caria, Rachel Lessig, and Daniel Marcus are the Committee Heads. The ever-famous Becky Grace is the advisor for the Muhlenberg Concert Board.

RESIDENT HALL ASSOCIATION

The Residence Hall Association is a dedicated and energetic group of students who work together to plan and implement social events for the entire college. RHA provides a great opportunity for students to enjoy the weekend on campus in a nonalcoholic atmosphere. RHA has sponsored many successful events during the year. The Hawaiian Pool Party was a fantastic hit along with the Dynamics performing on another date. A basketball tournament brought many out to play and compete for a prize. Our first event of the second semester was Swing Dancing. This night was packed with high energy and excitement as the students joined together to swing the night away along with the nonstop music and the instruction from the professional dancers.

CARDINAL KEY SOCIETY

The student representatives of the Cardinal Key Society strive to be leaders and companions to other students, alumni, and the Muhlenberg Community. Members of the Cardinal Key Society donate their time and efforts, in order to promote the philanthropic principles of service and giving and improve the quality of life for all members of the Muhlenberg Family. The goals and objectives of the Cardinal Key Society are to serve the Office of Alumni Relations, inform alumni of events and changes that take place on campus, and to develop current students as future dedicated alumni.

INTERNATIONAL STUDENTS' ASSOCIATION

The International Students' Association's purpose is to promote exchange, communication, and understanding between non-international and international students at Muhlenberg and in the Lehigh Valley. We coordinate events designed to adapt exchange students to the American culture and the Muhlenberg community. Some events include a Muhlenberg Orientation Program, international dinners, celebrations of traditional American holidays, food, events, and trips to local attractions. In addition, we help raise awareness about global affairs on campus through fundraising for local

and international causes, guest speakers, foreign movies, and trips. There are annual events such as The I.S.A. Talent and Fashion Show and the international Food Fest. The organization is open to all students and has been active since 1988. I.S.A. also helps to sponsor events with the LVAIC, Multicultural Department, Foreign Language Department, Study Abroad Department, and other clubs and organizations. We also received the President's Award in 1993 for our involvement and participation in the Muhlenberg Community.

COMMUNIDAD LATINA

Comunidad Latina is an organization dedicated to bridging the gap between Muhlenberg College and the Allentown Communities. They attempt to educate the community about Hispanic cultures and traditions. The organization strives to provide all students with the opportunity to understand and become a part of such a rich and diverse culture. This school year, Comunidad Latina put on a campus-wide celebration called LatinFest that involved dancing, singing and great food. They also entered the Homecoming Float Contest with a jungle-theme float. During the winter, Comunidad Latina had a progressive dinner that Asian Students Association and International Students Association also participated in. They finished off the semester with a trip to New York City to visit "Museo del Barrio" which was an exhibit of still-life artwork done by Latin American artists. The Comunidad Latina hopes to expand with even more programs next year.

BEST BUDDIES

Front Row: Karen Nguyen, Melissa Kowalczyk, Carly Rabinowitz
Back Row: Krisitin Flagg, Jen Mendelsohn, Lisa Glatzer

Best Buddies is a group on campus that pairs mentally retarded young adults from the community with Muhlenberg College students. The goal of the group is to enhance the lives of people living with mental retardation through socialization opportunities. Best Buddies, headed by Jen Mendelsohn, Vice Presidents of Publicity Lisa Glatzer and Janaina Stanley, and Activities Coordinator Melissa Kowalczyk, had an extremely active year. Membership doubled and most of our buddies attended all of our outings. Some of our group activities this year included a Pumpkin Picking, Bowling and Dinner at Rookies, Winterfest, a Winer Holiday Party, and the Best Buddies Ball held in Bucks County at the end of the year. Our college buddies' dedication, alongside their caring and friendly attitude touched many members in the Allentown community.

Above: Best Buddies members spend the afternoon with some of the Allentown mentally retarded young adults. This is just one of the many activities that the members participate in during the school year. These opportunities provide social opportunities for the mentally retarded young adults.

MUHLENBERG DANCE CLUB

The Muhlenberg Dance Club was founded seven years ago by the head of the Dance Department, Karen Dearborn. What began with a handful of young people has now grown to become one of the largest clubs on campus. The Muhlenberg Dancers are not only responsible for putting on various dance concerts that take place throughout the year, they are also involved in community service and outreach programs including numerous ensembles that travel to perform at schools in the Allentown district. With dance growing as a popular major, the club has seen many exciting changes. The most recent change has been the opening of Trexler Pavilion which houses two new dance studios. As the number of freshman dancers increases every year, you can expect much more to come from the Dance Club.

AMNESTY INTERNATIONAL

Amnesty International Muhlenberg Chapter works in cooperation with Amnesty International USA. In addition, we work to raise awareness on our campus regarding human rights issues. This brings issues from around the world to Muhlenberg. This year, Amnesty International has brought a variety of speakers to this campus, including Chie Abad, a former sweat-shop worker.

First Row: David Ellis, Maiano Argudo Ramirez, Angie Tyson, Emily Consentien, Matthew Pompile, Christine Masick. Back Row: Brad Rosen, Maggie Manza, Denise McGuigan, Sherry Wiernik, Aaron "che" Bova.

ALPHA PHI OMEGA

Alpha Phi Omega is a National Coed Service Fraternity that was founded and maintained on the principles of Leadership, Friendship, and Service. Since its founding in 1962, its members have provided service wherever needed. With projects on campus, in the surrounding communities and for the young and old, APO blends fraternal atmosphere with its ideals of service and helping others. This organization performs service to the Brotherhood, campus, community, and country. Muhlenberg College's Xi Alpha Chapter has been active on campus for almost 40 years.

Third Row: Allyson Thomas, Jenn Baldwin, Holly Schimmel, Jordyn Louis, Ilene Cummings, Rebecca Eckard, Mary Ellen Manza, Jamie Alvo.

ENACT

EnACT, the Environmental Action Team of Muhlenberg College, is an organization which is growing tremendously. Our goals include raising environmental awareness and actively contributing to the ecological well-being of the campus, local, and global communities. We strive to reach these goals, although they are lofty in their enterprise, through small projects based on campus. This year, EnACT's projects included hosting the Third World Dinner, improving upon the 'Berg's recycling program, bringing speakers to campus, holding discussion panels, and conducting a celebration in honor of Earth Week. We reach for our goals through most dedicated membership, and hope that people will be able to come away from the Muhlenberg experience with a renewed enjoyment in the natural world and a rejuvenated desire to protect the Earth.

Second Row: Matthew Pompile, Nicholas Biancom, Kate Finnegan, Dustin Stein (Treasurer), John Mehag, Matthew Curtis Johes (Vice-President), Joshua Salzman, Krista McGuire (Co-President), Lauren Weisberger, Elisa Murphy, Lindsey Welner.

SAGE

Sage, or Students Advocating Gender Equality, is a group on campus that raises awareness about issues such as birth control, sexual assault, abortion, eating disorders, and communication between men and women's issues. Its members organize many different events, most notably Women's Week, a week dedicated to women's issues, and culminating in the annual Take Back the Night March. As more students get involved with SAGE, we hope to do more to educate the community on gender issues.

MC EMS

uhlenberg College Emergency Medical Services is an organization that has dedicated itself to serving the medical needs of our campus. Since its beginning in October of 1999, the organization has responded to over three hundred alarms, including both emergencies and non-emergencies. This student founded and student run organization composed of twenty-five members responds to emergencies twenty-four hours a day, seven days a week during the school year. Serving as support service to the Department of Campus Safety, and the Student Health Center this organization has made an impact on the entire campus community. The service also serves in a stand-by capacity for all major campus events. MC.E.M.S., "Serving our campus with pride!"

PARENT PRIDE

A TOUCH OF CLASS

Throughout the years that students spend at Muhlenberg, parents are continually showing their love for their children and learning to let go. Care packages, deposits to bank accounts, and weekend visits are just several ways that parents let their children know that they are loved. In this following section, parents once again show how special their children are. They show their care with a touch of class.

Thomas-

You are a son of whom I'm so very proud. Thank you for the joy you've given me since the day you came into our world. Stand tall, be bold, take risks and have confidence. My heart overflows with happiness at your accomplishments. Dad would be grinning all over and I know that he is! With love and God's blessings.
Mom & John

Helen

Congratulations to a wonderful daughter. We are very proud of you and all that you have accomplished. May your future bring as much happiness and joy to you as you have brought to us.

We hope that good luck, health, success and happiness will follow you throughout your life.

Congratulations to you and the Class of 2000.
With all our love,
Mom, Dad, Michael & Connie

To Our Princess Francesca:

Congratulations! The special time in your life has arrived for you to take a bow and sine for a job well done. We are so proud of the woman you have become. More important is for you to be proud of the remarkable individual you are.

When you take the time to reflect on the past four years at Muhlenberg, you will see a roller coaster ride with its ups and downs. You will always remember the good times and good friends that made maturing a pleasure. It's also important to remember how you grew facing the obstacles in your life. It is these times that made you strong, independent, and the powerful woman you are today.

It is time to think about tomorrow, and take that special sparkle you posses with all you have learned and valued and make a difference to the world. Remember, if you touch just one life in a positive manner, you have achieved greatness. That greatness comes from within. Let your smiles be conceived in your heart and given to the world through your eyes.

Let your smiles be smiles of healing, friendship, and appreciation. The powerful love Dad and I share for you is a blessing in our lives. We want to thank you for being exactly who you are.

We Love You,
Mom and Dad

Dear Nonny,

It feels like yesterday you started out at Muhlenberg and now you are graduating. I'm so proud of you & everything you've done throughout the years. This sounds like a Hallmark card but you're not only my sister, you're my best friend & I wish you the best of luck with everything.

Love, Lee-Lee

Dear Joey,
You are now finishing four of the most important precious years of your life. Just think of all the knowledge you have gained and the friendships you have made. College friendships are always special and can last you a lifetime if you choose. You have so many choices, which can be yours just for the asking. You have worked hard and, as usual, excelled in all your academics. We are so proud of you! Life has been so wonderful having you as a son. Sometimes we feel that we are going to wake up and find that it was all a dream. Well son, life is grand, so let us continue to dream together and the most wonderful thing we can wish for is to have a son just like yourself. Congratulations on another job well done!

Mandy,
Remember writing this poem?

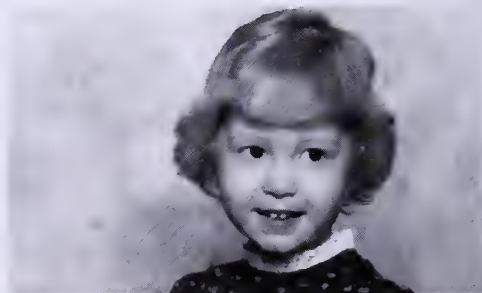

The Tree of Life

The tree, the tree that reaches to the sky
Is constantly changing as I am too.
The food and wisdom make each new leaf grow.
I must bend gently and move with the breeze.
And yet I must stand sturdy and strong
As leaves fall slowly from the branches, then
A stage of my life falls into the past
A tiny seedling was I in my youth,
Ready to face the forceful wind of change.
Each season I accept new challenges,
May life's strong winds treat me kindly as I
Approach the shadows of falling leaves.

As you approach this new stage of your life, and for all its
remaining stages, may the winds of change in your tree of
life be gentle breeze.

Love,

Mom, John, Cam, Nana, Papa, Uncle Greg, and Mac

LARRY

Success

To laugh and often much;
To win the respect of intelligent people and the
affection of children;

To earn the appreciation of honest critics and
endure the betrayal of false friends;

To appreciate beauty;
To find the best in others;

To leave the world a bit better...
whether by a healthy child, a garden patch, or a
redeemed social condition;

To know even one life has breathed
easier because you lived
This is to have succeeded.

Life is truly a ride.
We're all strapped in
and no one can stop it.
When the doctor slaps
your behind, he's
ripping your ticket and
away you go. As you
make each passage
from youth to adulthood
to maturity, sometimes
you put your arms up
and scream, sometimes
you just hang on to that
bar in front of you. But
the ride is the thing. I
think the most you can
hope for at the end of
life is that your hair's
messed, you're out of
breath and you didn't
throw up.

I said a prayer for you today and know God must have heard. I felt the answer in my heart although he spoke no words. I didn't ask for wealth or fame, I knew you wouldn't mind. I asked Him to send treasures of a far more lasting kind. I asked that He'd be near you at the start of each new day. To grant you health and blessings and friends to share your way. I asked for happiness and success for you in all things great and small. But it was for his loving care I prayed the most of all.

We are proud of you. With all our love,

Melissa Louise Kowalczyk An Abundant Life

The world belongs to the enthusiasts who can keep cool.

Remember you don't make great people by spraying them with perfume; you can do it by LOVE and DISCIPLINE.

Take note....

You are someone special because you have divine potential within....
just waiting to blossom.

Dad and I are wishing you sources of positive attitudes that lead to-
Belief, Faith, Hope, Anticipation, and Enthusiam.....
in a word, LIFE.

Happy Graduation. Reach for the sky! We are proud of you!
Lots of Love and Kisses,

Dear Brian,
May all you do in the future
always reflect well on you.
We are so proud of you.

Love,
Mom & Dad

Micki - As we reflect on your life at this graduation celebration, we recognize the mature, compassionate and sensitive young lady you have become. Your cheerful, outgoing disposition made you many friends as a child, and serves you well as an adult. Our pride and love for you reflect your hard work, accomplishments and especially your witty zest for life! We are proud of you, Michelle, and wish your continued happiness and success! - Love, Mom and Dad

Dearest Schwest - From NKOTB to oak trees, you have taught me plenty. Then again, I made you sort Legos as a child and now you don't take any crap from anybody - and I couldn't be more proud! With these important skills, your success in life is insured. I love you, and I wish you all the best - Love, Schwest

Dear Mick - As a graduation present, I forgive you for torturing me all of those years! Thanks to you I am slightly warped, but stronger. Just kidding! I love you and I am very proud of you! - Love, Rob

KEITH E. LYNCH, JR.

The time has come when past and future meet.
When hopes are high and memories sweet.
When life seems like an open door, and
invitation to explore. A time for dreams and
wishes too, that have a way of coming true.
You should be proud of how far you've come.
The choices you've made, the things that
you've done, and someone like you deserves
every success. For in all that you've done, you
have given your best! We're proud of the
person you are inside, of the goodness and
generosity which are so much a part of your
daily life, and of the warmth and caring you
show others. You're a very special person and
we want you to know how lucky we feel to have
been given the gift of a son/brother like you.
We congratulate you on your graduation from
Muhlenberg College and wish you success and
happiness throughout your future.

LOVE YOU,

Dear Daughter and Sister, LARISSA ROSE POVEROMO,
"2000" Muhlenberg College Graduation Congratulations to you! You have kept your eyes on the prize! We admire you, Larissa, a woman who is happy with herself, and not only intelligent and well-educated, but is also well-liked and respected and cheerful and thoughtful, and loving, and kind. Armed with inimitable determination and undaunted perseverance, you took the road less traveled, and successfully realized all your undergraduate academic goals. Given your ambition and tenacity, the same success should be yours in future endeavors. Many leadership responsibilities, volunteer activities, and work experience at and through Muhlenberg College have also prepared you for your future in law/government/education. May you always love what you do, and do what you love for a living. Spend time on yourself, spend time with your loved ones and loyal friends, and spend all you have on the loveliness life has to sell("Barter" by Sara Teasdale), continue traveling the world, and enjoy your hobbies. These are all great sources of relaxation, fulfillment, and happiness. Surround yourself with and enjoy great literature, music, and art. Refer to the written words of past, present, and future sages in all genres. They will continue to educate you, and will nourish, guide, uplift, inspire, humor, and sustain you. Gain strength from the Bible. Live your life according to Exodus 20:3-17 & Matthew 7:12. Place your trust in John 3:3, and John 3:16. Pray. May God bless you and keep you and make His face to shine upon you, and be gracious unto you.

Tony —

Have I told you how grateful I am to have had you as my son? Have I said "Thank You" for being who you are? Did you know how important it was to me that you were always a young man of character, charisma and discipline—not perfect-but, I knew that I could trust you? Did you know that even as a little boy when you set your sights on a goal you were successful? People have said to me "you did a good job raising your son". I've responded by saying thank you but I give my son the credit. He made my job easy. He wanted to be a good boy.

Now I say thank you to my son for being the man you are and have yet to become. I have faith in you and know that you can do whatever you say. Be prayerful in all your endeavours. Know God and give him the glory. God Bless You and Congratulations on your Graduation!

Lisa,

Words cannot describe the joy, happiness, and pride with which we feel today, as you complete a glorious, wonderful, and well earned academic college degree. Thanks to your vision, determination, and an unending quest for knowledge and higher achievement, your insight has taken you to this higher plateau in your life.

Enjoy and savor this accomplishment, and use it as a stepping stone on your journey to your next level of achievement, as you come closer to the realization of your goals and dreams. Your power is infinite, and we could not have asked, or even dreamed for anything more. We love you!!

Mom and Dad

CONGRATULATIONS, KATY! "YOU'VE COME A LONG WAY, BABY", YOUR FUTURE IS BRIGHT. WE ARE VERY PROUD OF YOU.

In *The Prophet*, we read that "Your children are not your children. They are the sons and daughters of Life's longing for itself. They come through you but are not from you, and though they are with you yet they belong not to you. You may give them your love but not your thoughts, for they have their own thoughts." In light of your graduation and the fact that we never could give you too much advice, we thought we would pass on wisdom from *The Measure of Our Success* by Marian W. Edelman. The following are called "Twenty-Five lessons for Life": 1. There is no free lunch. Don't feel entitled to anything you don't sweat and struggle for. 2. Set goals and work quietly and systematically toward them. 3. Assign yourself. 4. Never work just for money or for power. They won't save your soul or help you sleep at night. 5. Don't be afraid of taking risks or of being criticized. 6. Take parenting and family life seriously and insist that those you work for and who represent you do. 7. Remember that your spouse is not your mother or father or your servant, but your partner and friend. 8. Forming families is serious business. 9. Be honest. 10. Remember and help America remember that the fellowship of human beings is more important than race and class and gender in a democratic society. 11. Sell the shadow for the substance. 12. Never give up. 13. Be confident that you can make a difference. 14. Don't ever stop learning and improving your mind. 15. Don't be afraid of hard work or of teaching your children to work. 16. "Slow down and live." 17. Choose your friends carefully. 18. Be a can-do, will-try person. 19. Try to live in the present. 20. Use your political and economic power for the community and others less fortunate. 21. Listen for "the sound of the genuine" within yourself and others. 22. You are in charge of your own attitude. 23. Remember your roots, your history, and the forebearers' shoulders on which you stand. 24. Be reliable. Be faithful. Finish what you start. 25. Always remember that you are never alone. God loves you and we do too.... Your Mom and Dad

George,

"The future belongs to those who believe in the beauty of their dreams". Eleanor Roosevelt. You have such beautiful foresight where you are headed. Follow your dreams! They will be filled with colorful rainbows. But, when the clouds roll in, remember, "there is always tomorrow to start over again". And each time that you do, it only gets better and better! You have conquered more than most your age, and did it all on your own. When you were ready. Your success was YOUR own great achievement accomplished through long hours of dedication and studying. So, now when you look in the mirror, you can smile back at the reflection. Go out and strut your stuff and pass it on. But, don't be so proud that you stop learning. Remember, there will always be people following you. They may need your guidance. Stop and listen! Feel in your heart their pain or joy. Be genuine. Love, Dad, Mom, and Nicole(who looks up to her big brother for total support and love)! Congratulations and Love, Pipp

Michael,
You've accepted life's challenges with no delay or stop
You've chosen a path that takes hard work and climbed to the top
In life's great balancing act you're dexterous and stable
In the vast maze of life you're ingenious and able
You'll conquer, prevail, prosper, we truly believe
Hats off for triumphs now, and all you'll achieve
This grand world is yours, so go move a mountain or two
We know you will find success in everything that you do
With a cheer, CONGRATULATIONS! today is your day

CLOSING

A TOUCH OF CLASS

IN MEMORY OF PROFESSOR KENNETH CLARK

Professor Clark had been a dedicated member of the Muhlenberg Accounting, Business and Economics Department for 16 years before he passed this year. Not only was he a professor, he also served as the faculty advisor to Alpha Tau Omega, acted as a First-Year Advisor, and helped out with the Scotty Wood Tournament. His presence will be sorely missed on campus, but his memory will live on with his colleagues and students.

THE COLOPHON

Volume 108 of Ciarla, the Muhlenberg 2000 Yearbook, was printed by Taylor Publishing Company, 1550 West Mockingbird Lane, Dallas, Texas. Representing Taylor Publishing, Edward Patrick, Jr., serving Muhlenberg College for several years and Liz Hernandez as our account executive.

The cover of the Ciarla 2000 is black matte with silver foil and red silk screen. Paper stock is 80 lbs. enamel used throughout the entire book. All layouts were done using a 16 column method. All headlines are 32/32 Nouveau Bold; body copy is 12/14 Nouveau; captions are 10/12 Nouveau.

Portraits were taken by Merin Studios, 2981 Grant Avenue, Philadelphia, Pennsylvania, 19114, (215) 673-5777, as well as a majority of the sports photos and candid shots. Merin's representative was Steve Merin. Mike Falk, Jenifer Lembo and the Public Relations Department supplied both sports and general campus photographs.

Volume 108 of Ciarla is 272 pages in length, 700 copies ordered, 500 for graduating seniors, 30 for administrators and departments of Muhlenberg College, and 170 ordered by underclassmen. The total publishing costs of the 2000 Ciarla was approximately \$35,000.00. All layout and copy work was done using Ultravision for Windows by Taylor Publishing Company. The office of Ciarla is located on Chew Street, in the basement of the M.I.L.E. house at 2208 Chew. The office telephone is (484) 664-3237. All correspondence should be sent to Ciarla, Box 2762, Muhlenberg College, 2400 Chew Street, Allentown, PA, 18104-5596.

From The Editors

In closing, this book serves as our gift to the class of 2000. We tried to fill it with memories that each and every one of you could look back on. We hope that it will spark a special feeling in you today, tomorrow and always. It is never easy to say goodbye. When you leave Allentown and proceed into the working world, we hope this book will remind you that Muhlenberg gave you the power to think.

This book contains our favorite images that will undoubtedly conjure up the memories that Muhlenberg provided. This yearbook, Ciarla 2000, symbolizes a great step made towards improvement for the yearbook staff and for Muhlenberg College as a whole. A yearbook is a symbol of school spirit, school pride and, most of all, school tradition. Ciarla is a major part of the network holding together the framework of the College's traditions.

We would like to thank Jenifer Lembo, our advisor, who throughout the year served as our mentor, teacher and friend. Without her help, this book would not be what it is today. Also, we would like to thank Ed Patrick, Jr., our Taylor Publishing representative who guided us through the completion of our first book. In addition, we would like to give enormous thanks to Brett Coppol our right hand man, the cropper, who provided jokes and laughter in our most stressful times. Thanks Baby. Also we would like to give notice to Barry Levine, our business manager, who balanced and handled all our finances and kept us from going bankrupt, thanks Barry. Finally we would like to thank our staff who pulled through, got their act together and created a great book.

Thanks guys, we couldn't have done it with out you.

Ciarla 2000 was completed with a Touch Of Class!
